## The new Big Champion

High class in action. Safety you can rely on.

[www.boeckmann.com](http://www.boeckmann.com)

FIRST CLASS TRANSPORT

# High class.

For more than 65 years we have been designing horse trailers that are precisely tailored to the needs of horses and their riders, that meet the highest quality standards and offer a host of advantages in everyday equestrian life. Just like the Big Champion. With a unique range of space and size, large doors and high side walls, this trailer is 'high class' in action. Reliable quality, robust materials and the Böckmann safety commitment make a noticeable difference.

Available as an SKA or E model, the Big Champion features two tack lockers and space concepts that are perfectly tailored to each application; with space in front of the horses, large doors, plenty of storage space and an extensive range of standard features. Find out more about the latest generation of the Big Champion. We hope you enjoy browsing through this brochure.

*Klaus Böckmann*

**From the idea to the product:** Anton Böckmann laid the foundations of the company with skilful craftsmanship and passion for his work.

**Unforgettable:** The four young Böckmann brothers on "Raudi", their first Shetland pony.

**Important hands-on experience:** Klaus Böckmann handling his own horses.

**Effective training means greater success:** Gilbert Böckmann at the stables of Böckmann Pferde GmbH.

**The next generation has now also joined the company's management team:** Stella Böckmann and Justus Böckmann.

**One big family:** from a small blacksmith's workshop to the Böckmann Group – with a workforce of more than 500 in 2022.

# Böckmann. The family company.

The company's development from a small village smithy to an international market leader has been shaped above all by one sentence: "You have to put your heart and soul into the business to be successful in the long term." This conviction, which Brigitte and Anton Böckmann have passed on to the family since the company was founded in 1956, still holds true today. With Stella Böckmann and Justus Böckmann the third generation of the company also stands for transport solutions which are characterised by first-class quality, the best design and absolute reliability.

Another decisive part of the successful Böckmann DNA is also a matter close to the heart of the family members – their passion for equestrian sport. Looking after your own horses every day is both an inspiration and an opportunity to test vehicle developments. Only developments that have proven their worth are taken into production. This is how the company has been manufacturing horse trailers that deliver real added value for more than 65 years.

**The founders:** Anton († 2010) and Brigitte Böckmann († 2011).

The headquarters of Böckmann Fahrzeugwerke GmbH are located in Lastrup, Lower Saxony.

# Big Champion.

In the horse stall area, in the tack lockers, in daily use: The new Big Champion provides lots of space and comfort – and a high level of safety. With even more interior height and length, more space in front of the horses and in the tack lockers, extra high side walls and man-high doors, this new generation of trailers is more practical than ever. The two models SKA (with a man-high access door and a tack locker accessible from inside and outside) and E (with 2 man-high access doors and a tack locker that is accessible from the interior) offer exclusive added benefits in daily use and an extensive range of standard features.

## Plenty of extra space for horses and riders

with the new room concepts of the E models (with 2 man-high access doors and a tack locker that is accessible from the interior) or SKA (with a man-high access door and a tack locker that is accessible from the inside and outside). For more information on the tack lockers turn to page 16.

# Standard highlights.

The exclusive features such as the outstanding travelling comfort due to the World-Class “WCFplus” chassis to automotive standard, the large tack lockers with extensive features and the extra high side walls ensure comfort and safety as standard.

For further details on the standard features of the individual models visit:

[www.boeckmann.com](http://www.boeckmann.com)

## Plenty of space and comfort

due to the easily accessible tack lockers with clever details and extensive standard accessories (for more information about the tack lockers turn to page 16).

Big Champion SKA

Big Champion SKA

Big Champion E

Big Champion E

## Safe transport

is ensured by the track-proven Böckmann partition wall system and the safety stall bar system (MSS) with tie rings and an adjustable height range of 10 cm. Further protection is provided by the additional stall bar padding as well as the padding and kick protection on the side walls.

## Fast safety in emergencies

with the track-proven Multi Safe safety stall bar panic system (MSS) for front and rear. The wheel spanner is included in the standard equipment.

## Robust and rot-proof

due to the solid quality full aluminium floor with closed profile for reinforcement in the horse compartment.

#### More space when loading and unloading

due to the wide entrance, the light and inviting interior and the cleverly designed partition wall system.

#### PVC canvas lift

with integrated net and roll-up function.

#### Travelling comfort

with the World-Class chassis to automotive standards with wheel shock absorbers.

# Even more standard equipment.

The standard features of the Big Champion models already stand out with many details and innovations from which horse and rider benefit every day.

## Comfortable standing position

due to the additional stall bar padding as well as the padding and kick protection on the side walls.

## Safe hitching and unhitching

with the lockable cast coupling with rubberised, convenient heart-shaped handle and soft top (crash protection).

## Many possible applications

with the rear ramp/door combination.

## Good ventilation, light interior and sun protection

due to the pop-up side windows. Dazzle-free, with sunshade and safety grille.

#### Calming atmosphere

provided by the blue LED transport light – can be conveniently switched from blue to white.

#### Easily accessible feed

with two safety feeding troughs in an optimum position for the horses. Conveniently stowable in the tack locker.

**Robust structure made of anodised aluminium double web profile**  
for safety and durability.

#### Additional standard features

- Strong construction due to the V2A stainless steel bolted connections
- Longitudinal beam chassis with V-drawbar (bolted)
- Lighting system with reversing light and 13-pin connector
- Generously dimensioned quality tyres
- Lifting device on the rear ramp
- Closed rear struts
- 4 rear ramp hinges
- Manoeuvring handle
- Horsehead decor on rear ramp
- Lockable doors with 3-point door locking system and rain gutter
- Böckmann partition wall: transparent PVC divider, flexible with PVC top section
- Rubber floor (8 mm) with anti-slip textile structure, bonded and sealed
- Rubber covering on rear ramp with step bars, water drain gutter and side stops

All standard features and more are described at  
**[www.boeckmann.com](http://www.boeckmann.com)**

#### Simple operation

due to the automatic jockey wheel – extra-long with an easy-to-handle crank and perfect to use, even in cold weather.

# Plenty of room.

The Big Champion stands out due to its size, safety, excellent handling and detail solutions in the right place. The SKA and E models are tailored exactly to the needs of horse and rider. The uniquely designed spaces offer absolute freedom of movement and guarantee the numerous comfort and safety features. This is made possible by an intelligent room layout and generous dimensions. Experience the many highlights yourself and find out which Big Champion model is the right one for you.

## Big Champion SKA

Large horse compartment with Böckmann partition wall, space in front of the horses, a man-high access door and easily accessible tack locker.

## Big Champion E

Large horse compartment with Böckmann partition wall, even more space in front of the horses, 2 man-high access doors and a tack locker that can be easily accessed on both sides from the interior.

Big Champion SKA

Big Champion E

Big Champion SKA

Big Champion SKA

Big Champion E

Big Champion E

**Space, safety and comfort for horses and riders**

with unique, generous dimensions, plenty of space in front of the horses, man-high access doors and convenient access to the tack lockers.

# Even more space.

Maximum benefits, safe handling of the horse and features that you can rely on. Discover more about the different SKA and E models and find out which Big Champion horse trailer suits you.

## Big Champion SKA

Large horse compartment with Böckmann partition wall, space in front of the horses, a man-high access door and tack locker that is easily accessible from the inside and outside.

**Maximum comfort for horses and riders**  
due to a unique space design and man-high access doors.

## Big Champion E

Large horse compartment with Böckmann partition wall, even more space in front of the horses, 2 man-high access doors and a tack locker that can be easily accessed on both sides from the interior.

**Plenty of headroom and space in front of the horses**  
due to the generous room concept.

## Safety and comfort

are guaranteed by the high-quality materials and a reliable partition wall system.

# The tack lockers.

The two different tack locker concepts enable an optimum layout that provides maximum storage space for equipment. The large doors make everything conveniently accessible and are designed to meet practical needs. Discover the extensive standard features and find out which model is the best transport solution for you – SKA or E.

## Practical shelf with optimised cleaning

with defined water drainage. The special shape with large radii does not have any edges for the horse to bite.

## Everything is conveniently accessible from inside and outside

with the large tack locker doors, practical interior doors and rain gutter. Perfect closure with the 3-point door lock and rubber seal.

## Western tack locker (available as option)

with large saddle racks for Western saddles; plastic shovel, telescopic broom, mirror, door net, saddle pad holder and LED light provided as standard features (only Big Champion SKA).

## Tack locker of the Big Champion SKA

accessible from inside and outside with practical storage options such as two shelves. In addition to the horizontally and vertically adjustable as well as pull-out saddle rack, a telescopic broom, plastic shovel, door net, mirror, riding crop holder, feed troughs, large bridle hooks, pad holder, LED light and folding stool with safety catch are also included in the standard equipment.

#### Tack locker of the Big Champion E

with two large doors, conveniently accessible from the inside and through the two full-height exterior doors. With practical storage options such as the two shelves. In addition to the horizontally and vertically adjustable as well as pull-out saddle rack, standard features include a telescopic broom, plastic shovel, door net, mirror, riding crop holder, feed troughs, large bridle hooks, pad holder, LED light and folding stool with safety catch. Perfect closure with the 3-point door lock and rubber seal.

# Good for your horse.

The loading height, the light interior with plenty of headroom, the Multi Safe System (MSS) and the absolute absence of sharp corners and edges – the safety of your horses is our main priority. These detailed solutions – standard features on all Böckmann horse trailers – have been developed on the basis of 65 years of experience gained with our own horses and have been consistently adapted to their well-being and comfort.

For further details on the **Böckmann safety concept** and the added advantages visit [www.boeckmann.com](http://www.boeckmann.com)

## Large and inviting entrance

due to the narrow roof edges, interior canvas lift and the bright, white interior walls. At night the interior lighting provides sufficient light in the interior.

## Low loading height

with the lowered World-Class chassis with galvanised independent wheel suspension, coil spring suspension and wheel shock absorbers.

## Optimum foothold and minimised risk of slipping

due to safety treads, side stops on the rear ramp covering and the narrow rear ramp hinge.

## Lots of room for a wide stance

due to securing of the PVC curtain 600mm above the floor – for comfortable transport.

#### Safe transport

ensured by the track-proven Böckmann partition wall system and the safety stall bar system (MSS) with tie rings and an adjustable height range of 10 cm. Further protection is provided by the additional stall bar padding as well as the padding and kick protection on the side walls and on the tack locker in front of the horses (the latter is only available as an accessory on the Big Champion SKA).

**No slipping of the horse's hooves and good visibility from the car**  
due to closed, perforated rear struts.

**Safe to stand on**  
due to the rubber floor with non-slip textile structure.

**No sharp edges and corners**  
ensured by rounded hinges and plastic covers on the steel profile struts and at the ends of the rear struts.

**Plenty of headroom, space and light interior**  
ensured by the generous space concepts of the Big Champion family. The tinted pop-up windows with integrated grille, large radii without corners and edges and flat hinges provide additional protection.

**Calming atmosphere**  
provided by the blue LED transport light – can be conveniently switched from blue to white.

**Fast safety in the event of an emergency**  
with the track-proven Multi Safe safety stall bar panic system (MSS). Can be released at the front and rear. The wheel spanner is included in the standard equipment.

#### **Safety**

with the robust, angle lever locks with 180° rotation that minimise the risk of injury to your horse.

#### **No entangling of the rope**

due to flat door handles.

#### **Plenty of room for the tail**

due to the generous clearance between the stall bar and the rear ramp.

#### **PVC canvas lift**

with integrated net and roll-up function.

#### **Good ventilation, light interior and sun protection**

due to the pop-up side windows. Dazzle-free, with sunshade and safety grille.

#### **Easily accessible feed**

with two safety feeding troughs with holder.

#### **Easily accessible hay**

with optimally positioned hooks and counterholder for a hay net. The specially shaped tack locker with its large radii does not have any biting edges for the horse.

# Good for you.

In addition to the needs of the horses, our horse trailers are tailored to the requirements of the riders. Innovations such as the chassis, the coupling and the automatic jockey wheel prove their worth in daily use. Details such as the crop holder, the mounting step and the extra wide bridle hooks at the right place show that during development the main focus was on one main thing – practical experience for practical applications.

For further details on the extra advantages visit  
[www.boeckmann.com](http://www.boeckmann.com)

## Safe hitching and unhitching

due to the lockable cast coupling with rubberised, convenient heart-shaped handle and soft top (crash protection).

## Easy manoeuvring

due to the automatic jockey wheel – extra-long with an easy-to-handle crank and optimally positioned manoeuvring handle, perfect to use, even in cold weather.

## Optimum closure

with the 3-point door lock and rubber seal.

## Plenty of space for loading and unloading

due to the large clearance between the stall bar and tack locker in the front area of the trailer.

#### Crash and theft protection

provided by the lockable cast-iron coupling with soft-top crash protection and rubberised, convenient heart-shaped handle.

#### Unimpeded access to the car boot

due to the rubberised, convenient heart-shaped coupling handle and the flat brake lever – also when attached.

#### Convenient operation

due to the easily accessible and separate light switch for the interior lighting on the right-hand entrance door.

Big Champion SKA

#### Quick access to the horse compartment

through a man-high entrance door and plenty of space once inside.

Big Champion E

#### One key for all locks

with a master key in triplicate for the tack locker door, access door and cast coupling.

#### Fast access to the operating instructions

with the QR code directly on the vehicle.

#### **Tack locker as a shelf**

with an optimised design and plenty of space and no biting edge for the horses. Practical cleaning with defined water drainage.

#### **Mudguards as shelf**

with the wide and open, straight form of the impact-resistant plastic or polyester mudguards (accessory).

#### **Travelling comfort**

with the World-Class chassis to automotive standards with wheel shock absorbers.

#### **Simple operation**

due to the practical roll-up function of the PVC canvas lift. Lifting device for easy opening of the rear ramp, additionally with new, robust double step.

#### **Easy to tow**

due to the aerodynamic body and low centre of gravity – also saves fuel.

**Practical protection against damage**  
with door catches on the doors.

**Protection from rain**  
provided by the rain gutters above the doors and also in the rear area.

**More travelling safety**  
due to the large-dimensioned quality tires. Alu rims available as accessory.

**Convenient operation and extensive standard features in the tack locker**  
with a door catch as well as a telescopic broom, plastic shovel, door net, mirror, crop holder, feed troughs, large bridle hooks, pad holder, LED light and folding stool with safety catch.

**Tie options**  
with lots of fittings on and in the trailer.

# Good for lasting value.

Original Böckmann quality down to the last detail – for you this means durability and a high resale value.

This is achieved by absolutely solid workmanship and the use of high-quality materials. Experience the strength and safety of our horse trailers yourself.

For further details on the extra advantages visit

**[www.boeckmann.com](http://www.boeckmann.com)**

## Strong frame

due to a full-length Z-profile frame of galvanised special steel – firmly bolted to the body.

## Resilient

due to the fully bonded and sealed rubber floor (8 mm) throughout.

## Robust, rot-proof and made for high loads

due to the solid quality full aluminium floor with closed profile for reinforcement in the horse compartment as well as the longitudinal beam construction and the welded, hot-dip galvanised steel frame.

## Kick protection

with a particularly impact-resistant plastic on the side walls and in front of the horse (only possible in the Big Champion SKA, also refer to page 31).

#### Robust rear ramp

with four galvanised steel profile struts with integrated lifting device; additionally with new, robust double step.

#### Strong partition wall construction and high-quality materials

due to the solid, welded steel frame.

#### Anodised aluminium double web profile

for outstanding durability.

#### Higher payload

due to the 2400kg total weight as a standard feature instead of 2000kg.

# Great design.

Individuality in its most appealing form – all Champion models can be designed according to your taste. Lots of colour combinations are possible – from the roof to the body to the covers for side braces. We would also be pleased to offer you individual and photorealistic lettering according to your specifications. Simply ask the Böckmann specialist dealer in your area.

# Accessories.

The range of standard features of the Big Champion family is extensive. The models have many details and innovations from which both horse and rider benefit. Even more is possible with the original Böckmann accessories – customise your Big Champion to suit your needs and those of your horses.

Discover the full range of accessories and configure your Big Champion online:  
[www.boeckmann.com/en/configurator](http://www.boeckmann.com/en/configurator)

**Western tack locker**  
for the Big Champion SKA.

**Safety on the road**  
with a folding foal grid.

**Easy mounting**  
with the climbing aid that can be easily unfolded on the rear ramp; this also puts less strain on the horse's back.

**Practical storage option**  
with a tie up bar and saddle pad (on the side of trailer).

**Safe transport**  
due to the aluminium head divider wall e.g. for transporting two stallions.

**Comfortable transport for horses of all sizes**  
with the partition wall concept. You can equip your horse trailer with an partition wall that perfectly suits your horse upon request. The 165 partition wall is the standard size for large horses (1.65 m height), the 180 partition wall can also be selected from the accessory range for very large horses (1.80 m height) without any extra charge. Additional heights available on request.

#### Optimum ventilation

with a roof vent in the polyester roof.

#### More light at the rear

with the additional interior light.

#### Everything in view

with the video surveillance of the horse compartment as well as an additional rear view camera.

#### Several safety features

such as the anti-torsion coupling [1] (up to 2.7 t total weight, not lockable), the weatherproof protective cover [2] and the spare wheel with spare wheel holder and a spare wheel cover [3].

#### Visual highlight

with the polyester cover for side braces, the single polyester fenders, as well as the Böckmann Premium aluminium rims.

#### Durability

with the kick protection in front of the horses [1] (only possible with the Big Champion SKA) and the wear mat in the area of the front legs [2].

# First class service.

As a Böckmann customer you will receive personal support with many service offers directly on site. Our dense network of competent and trained Böckmann sales partners is at your disposal across the country. They will be able to provide you with the excellent trailer advice and top-notch service you need. We have put together more information and tips for you in our online service portal:

## Original part orders

Guaranteed exact fit, reliability, durability in daily use and a higher resale value. Original Böckmann parts can be purchased from your local dealer.

[www.boeckmann.com/en/accessories](http://www.boeckmann.com/en/accessories)

## Repair service

Trained employees take care of all repairs and the installation of original parts if necessary. Also together with the next general inspection upon request.

# Get moving with Böckmann. First class and hand in hand.

The Böckmann brand has stood for progress, quality and reliability since 1956. Our services and products are designed to inspire people time and time again and deliver real added value. "You have to put your heart and soul into the business to be successful in the long term" was the guiding principle of our founders. And this is still a living part of the company today and every day. Welcome to the world of Böckmann.

## Böckmann trailers

A success story which started in 1956: As the trailers are used for Böckmann's own horses, they have been subjected to constant improvement over the years. In this way we became the international market leader for horse trailers.

## Böckmann transporters

Thanks to the experience of over 60 years of equestrian sport, we develop horse trucks that leave nothing to be desired. Whether in the living or sleeping compartment or the horse compartment – every single detail is designed and produced individually in Lastrup. And naturally hand-crafted. Let us advise you directly at the Truck Center.

## Böckmann horses

Everything for your horses. Everything from one source. Everything in Hamstrup! Ranging from horse-friendly accommodation with individual care to foaling and successful training in dressage and show jumping by the renowned trainer Gilbert Böckmann and his team.

## Böckmann Collection

From sweat rugs to polo shirts to folding rules – discover the entire Böckmann Collection. Simply scan the QR code and explore the entire range.
